

These shoes are made for walking... not the landfill!

Help your school win by bringing in used athletic shoes.

Allen ISD Challenge 2007: Collect 6,000 pairs of good-condition used shoes by Friday, April 13:

- *Adult athletic shoes*
- *Children's shoes of any type*

The school that collects the most pairs wins the **Grand Prize!**

Prizes also go to the winning elementary, middle school, and high school (grades 9-12) classroom or homeroom.

The Shoe Bank will donate your shoes to charities worldwide—going primarily to children.

This unique recycling program is a partnership between Keep Allen Beautiful and The Shoe Bank.

Tie or rubber band shoes to each other to keep pairs together.
